

5 December 2018

Mr. Wilfredo A. López
President, Colombian Commission of Mineral Resources
and Mineral Reserves (CCRR)
Colombia

By E-mail crrrcolombia@gmail.com

Dear Mr. López

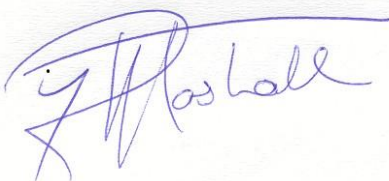

RE: RECOGNISED PROFESSIONAL ORGANISATION (RPO)

The Colombian Commission of Mineral Resources and Mineral Reserves (CCRR) has been recognised by the SAMCODES Standards Committee (previously the SAMREC/SAMVAL Committee) ("SSC"), as a Recognised Professional Organisation ("RPO") on behalf of the Johannesburg Stock Exchange Limited ("JSE"). This recognition allows a member, in good standing, of the Colombian Commission of Mineral Resources and Mineral Reserves to submit a Competent Persons Report to the JSE, providing he/she has the relevant experience.

Recognition as an RPO is dependent on the professional organisation having a Code of Ethics and a disciplinary procedure to handle any complaints in respect of Competent Persons. Consequently, we request your organization to notify the SSC if any of your members have been reported to you for non-compliance with the SAMREC Code and, if there were such complaints, what was the nature of the complaint and, if possible, what disciplinary action was taken. You are also requested to confirm the category of membership of the Colombian Commission of Mineral Resources and Mineral Reserves to which the RPO agreement applies.

Thank you in advance for your cooperation.

Yours sincerely

DR TANIA R MARSHALL
ACTING CHAIR
SAMCODES Standards Committee (SSC)
